

**No Frost, forever**

No Frost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

Product Benefits & Features**No Frost keeps your freezer ice free**

With the No Frost technology, there's no need to defrost the freezer. It prevents the build-up of ice, so you can always be sure of maximum performance.

OptiSpace has a roomy interior for groceries

Our Freezer with OptiSpace offers plenty of storage options both on top and in between shelves. And if you need even more room, the drawers can be easily removed to suit your specific needs.

Choose freezer settings with the Electronic Controls.

Electronic Controls give you the ability to adjust the settings and internal temperature of the freezer.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.
